5:30 Workshop-SNOWBOUND

We are going to end our Snowbound workshop with the September meeting.

We do hope that you have enjoyed working on this quilt.

I think by now you should know how you want to set your blocks together and can look at it to see which block looks better in which place. You may want to hang a sheet or a piece of flannel over a closet door with masking tape and pin your blocks on so you can see how they are going to look when finished.

You can move them around easily if they are only pinned to the sheet. It will give you a much better view if they are hanging than just laying on the bed.

Bring your top pinned to the sheet, if you have questions or are unsure where you want a block to be, we can all give you our opinion.

I would still like to encourage you to spend sometime sewing each day to get your quilt top ready to complete.

We really appreciate Helen's demonstration of embroidery stitches in our last meeting. She always does a good job. Thank you Helen.

JoAnn talked a little bit last month about the binding on her quilt and showed how it was attached, we hope you are that far along or will be soon.

Bring your Show and Tell to the meeting so we can all see what you have done. We hope some of you have your tops together to show on our meeting night.

See you at the September workshop with your quilt tops.

Saturday Workshop

Sydney Morris will lead the September 18th Saturday workshop called "The Maze". Examples were shown at the August meeting and are posted on Tiffanee's picture website. Future October workshop will be a table runner by Ida Phillips. Jane Hammonds is still in need for volunteers to lead a Saturday workshop, so if you would like to offer your experience, please give Jane a call!

Greeting Quilting Friends:

The weather is finally a little more bearable, but oh my how we need rain, at least in our area.

I've been told that the nominating committee is having a difficult getting a position or two filled. If you are asked to serve in a position I hope that you would be willing to do so. I know that other obligations sometimes prevent us from taking on anything else, but I also know that we have lots of very capable people. It takes all of us being able to do what we can to make our guild successful. With all that said just say yes if you are asked to fill a position or serve on a committee.

Please remember to bring your tickets for the donation quilt to guild meeting as Old Fashioned day will be October 9th and if you have not bought any or sold any there is still time as long as you get the money and tickets back to Helen or Carol before that day. The quilt is so pretty, you just always hope that the winner will be someone who will love and cherish it like we do. The snap bag workshop was fun, as Saturday workshops always are, or for that matter any time spent with quilting friends is always fun and special.

Hope to see all of you at guild meeting.

Peace and Blessings,

Sondra
