## 2017-2018 UFO challenge

### **Stack Um Up.....**

Pick 6 of your UFO's that you want to complete in 2017 and list them on UFO form. If you do not have 6 projects just list what you have. Turn in your form along with a \$1.00 fee for each of your projects to the UFO chairperson. Please make a copy for yourself. A UFO must be at least 9 months old and something you have not worked on in the last 3 months. (Nov. 2016)

### **Roll Um Out...**

In February we will roll the dice to determine what project we will be working on first. Note: number 6 will not be included in the dice roll, it will be the last project completed so if you have a big project put that as number six. Example if in February we roll number 4, your project that is numbered 4 is the one that will be due in April.

The February number drawn will be due at the April meeting.

The April number drawn will be due at the June meeting

The June number drawn will be due at the August meeting

The August number drawn will be due at the October meeting

The October number drawn will be due at the January 2018 meeting (you will have an extra month due to holidays)

The number six will be due at the March 2018 meeting

### **Get Um Done...**

Bring your completed project and register it with the UFO chairperson at the designated month's meeting. If you cannot be at the meeting find someone to bring it for you. At that time your name will be entered in a drawing for prizes. . .

1 entry if only top completed- no more work will be done on top

2 entries if top from previous drawing is completed in two addition months. Quilted and bound

3 entries if project is complete- Quilted and bound

**The only reason we are allowing quilt tops is because sometimes the person doing the machine quilting can't get it done right away.**
