President's Message

Dear Quilting Friends,

I survived my first night presiding over our meeting. Whew! If you missed it, we had a fun night of snacking, sitting, sewing, and chatting a lot. As a matter of fact, I was doing so much chatting that I didn't even get to work on the piece that I brought. Never even took it out of the bag. But it was a fun night – even had some new members. Yippee! I love it when new people want to join us. And if you're one of those new people, we're glad you're here, and we'll do everything we can to make you feel at home.

Speaking of new people, I found out that one of our new members, Shellie Blake, is quite accomplished and does long arm quilting, too. Not being one to pass up an opportunity, I asked if she'd be willing to do a trunk show for us, and she consented. She'll be doing the program for our February meeting. Double Yippee!

One other monumentally wonderful thing happened at the meeting. Eddie Landreth volunteered to take over our website. Folks, I can't tell you how happy that made me. I'm pretty sure it'll make Kathryn Hodge happy, too. She's graciously built out the website over the last few years, and I do appreciate all the work she did. Kathryn, you're leaving your baby in good hands!

That's enough for now. I have to go cut out some fabric for that Santa quilt we're working on at this month's Saturday workshop.

Happy Quilting, my friends!
Terri

Arkansas' Just One Star campaign.

Quilts of Valor Foundation's motto: "Quilting to honor and comfort those touched by war". QOVF is a national charitable organization that makes and awards quilts to veterans. According to their website, over 113,000 quilts have been awarded since 2003. (See www.QOVF.org) The Arkansas chapter of the QOV is collecting 12.5” star blocks to be made into quilts for Arkansas veterans. After choosing your favorite star block pattern, pick some good quality cotton fabrics (scraps?) of red, white, and blue, solids or patriotic prints, and start sewing. While sewing, be thankful for our veterans and you will get that warm, all-American feeling!

I challenge each SCQG member to make at least two (2) blocks. I will send them to the coordinator at the end of March.

I am not proposing a group membership in QOV although it is a possibility. ~ Marge Dixon phone 778-0777

2015 QuiltMania Challenge Quilt Instructions:

For those of you who plan to participate in the QuiltMania Challenge Quilt Contest, these are the rules:

1. Use two or more charm packs of the same fabrics.
2. The back of the quilt can be a solid piece of the fabric, yardage of the charm pack or backing of your choice. Only the front of the quilt will be judged.
3. Binding (if one is used) has to be pieced from the charm pack fabric. However, binding is not required.
4. The quilt must be at least 20" X 20", but can be larger.
5. **The entry fee is \$5.00.** This money will go for prizes.

To help you get started, consider a miniature quilt or a scrap quilt. How about a string quilt? Or, remember the watercolor quilts? Don't forget the wonderful quilt in last year's Quilt Mania challenge, made by Sheila Byrd, using paper hexagons to make her background. Remember in Jacket Jazz how we learned to change the texture of the fabrics using pleating, crinkling, shagging? So many options are available, and if you are having trouble, just go through your many books and magazines for ideas. They are full of wonderful ideas. The charms can be cut up, and sewn together in so many ways. I hope this helps you in picking a method that inspires you to go forward and make an amazing quilt. Good Luck to All. ### Kaleidoscope Quilt Class taught by Charlotte Williams

#### Materials-

8 different ¼ yard cuts

4 different ½ yard cuts

1 yard background

1 ½ yards outer border and binding

(I used one fabric for background and outer border and binding)

Optional accent border ¼ yard

See notes below on choosing your fabrics.

Freezer paper- enough for 2 or 3- 18" squares

Pencil

Scissors for paper

48" square design wall (square of batting or flannel backed tablecloth work well)

Ruler at least 24" long with 30<sup>0</sup> lines (A large square is useful)

Fabric marker (that will show on your fabrics)

Rotary cutter

Large cutting mat

Fabric scissors

Pins

Sewing Machine in good working order

--don't forget cord and power pedal

¼" foot

*Notes on choosing your fabrics*—I used about 5 colors (Teal, Bright green, Fuchsia (bright purple), Hot pink, Dark blue) but I had more than one style or print in each color. I have repeated the fabrics in different strip sets. Too many different colors may make your quilt too busy to see a design.

I used a plain background and border to show off my Kaleidoscope. (You might choose to purchase your border later) You will be making 5 different strip sets to make this quilt. Choose at least 4 or 5 Darks that contrast well with you other fabrics. Choose at least 3 or 4 Lights that contrast well. The remaining can be mediums.

My strip sets were-

Set one--Teal-bright green-Fuchsia—Fuchsia was my dark

Set two—Hot pink-Bright green (print) - Hot pink (again) Dark Blue

Set three-- Teal (again)-Bright green (again)-Fuchsia (different print)—this set was mostly mediums

Set four – Light Blue-Fuchsia (again)-Pink (different print)-Dark Blue (different print)

Set Five- Light green-dark blue – Light green- dark blue

Don't make this stressful. Pick your fabric colors. I will be glad to help. You can bring stash fabrics to my shop and we can discuss how they will work
