### Block One

Make 4 blocks

Make fabric swatches

I would suggest that after you make you fabric swatch, that you color your pattern with your fabric colors. This will make it easier to assemble the blocks. **All Seams are pressed open.**

### Make Four Blocks

Step one: cut the following strips

fabric	strip width	strip length	Qty
BG	3 1/2" (2")	29" (17")	2
A	3 1/2" (2")	29" (17")	2
B	3 1/2" (2")	29" (17")	4

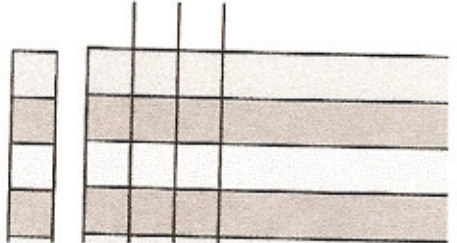

Step Two: Sew strips together in the following order:

	Fabric:	Fabric:	Fabric:	Fabric:
Set A	B	A	B	BG
Set B	A	B	BG	B

Step Three:

press seams open and from each strip set cut 8 - 3 1/2" x 12 1/2" pieces (2" x 6 1/2") using two strips for each strip-set, arrange strips to form block A

**Note: 6 inch block measurements in ( )**
