#### Entry Rules

- A registration form must be filled out for **each** entry you submit for the quilt show. There is no limit to number of entries but they will be accepted on a first come, first served basis.
- You must be a member of the Saline County Quilters' Guild.
- Your entry must not have been in previous SCQG shows.
- If known, all persons involved in making the entry should be listed on the registration form.
- If not an original design, please credit the designer, magazine, book, class, etc.
- Entries must be identified with name of the exhibitor. Quilt label must be on back of quilt and may be safety-pinned, temporarily basted or permanently stitched in place. All other items must be labeled so owner can be identified.
- Precautions will be taken to maintain a safe environment for the articles entered, but neither the Saline County Quilters' Guild nor the Benton Event Center will be responsible for the loss or damage of any article. Insurance is the responsibility of the owner.
- If you cannot bring your quilt to the show or pick it up after the show you must designate on the registration form the person who is authorized to handle your quilt. (See \*\* near end of form.)

- **IMPORTANT NEW RULE:** Each entry will be assigned a number prior to the show. You will be informed of the number(s) before the show. Your number must be written on **two** 3x5 index cards with a permanent marker. **Using safety pins**, pin one numbered card to the lower left corner on the front of the quilt. PLEASE DO NOT USE STRAIGHT PINS! The second numbered card must be pinned to the back of the quilt covering your name on your label. This year we will NOT keep your pillowcase with the quilt. You can bring your quilt in a case, but you won't leave it with us. For the safety of our workers and to make sure that the numbered card stays with your quilt, please use safety pins to pin these cards on the quilt. Quilts without numbered index card attached will not be accepted for the show.

- There **must** be a 4" hanging sleeve on your quilt. It can be safety-pinned, temporarily basted or permanently stitched. If your quilt is longer than 90" please place the hanging sleeve 90" from the bottom of the quilt. (See illustration at right.) This will allow your quilt to hang nicely without dragging on the floor. If there is no hanging sleeve on your quilt, please don't expect quilt show workers to put one on for you. Your quilt will not be hung. Exceptions: miniature quilts and quilts less than 48" wide. These will be pinned onto curtains.
