

September 21, 2026 Meeting Minutes

5:30 Workshop Cindy B.

Cindy demonstrated fabric that had a paint brush coating of Heat N Bond liquid vinyl. Available at Walmart, Amazon and sewing stores. It gives fabric an oil cloth effect, provides a durable, scuff-proof, water resistant barrier for smooth fabrics, clear and flexible when dry, apply additional coats for a glossier finish, wipes clean with a damp cloth, iron to make your project machine washable, can be machine sewn, use on wearables like ponchos, backpacks as well as placemats, tote bags, and more. Some cool stuff!
